

# linea micra

bring the caffè home

Available Configurations: **EE**

Available Number of Groups: **1**

A compact, easy-to-use home espresso machine with the powerful performance worthy of the La Marzocco name. Designed as a scaled-down version of the Linea Classic S, the Linea Micra combines a dynamic feature set and small body that allows you to explore the world of espresso. Easy setup, quick heat-up time, and all the essential tools, the Linea Micra makes dialing in your morning routine simple. Clean lines and timeless aesthetic inspired by a long line of espresso icons. Micra includes seven colors to choose from, elevating any home kitchen to café-status. Thanks to its new electronic board, the Linea Micra can now be connected to the internet and controlled through the new La Marzocco Home App, available on AppStore and GooglePlay.
